Notice of Capital Investment

Nissha Printing Co., Ltd. today announced the following capital investment which was resolved at the board meeting on October 30, 2008.

1. Reasons for capital investment

The company will obtain the land to construct new factory for the production of IMD foil which is used for simultaneous decorating technology with injection molding process, enabling multi-colored and precise registration of graphics on plastic substrates. The company, therefore, will build the system to increase production by strengthening our productivity to meet the demand of design – conscious plastic substrates which are used for mobile phones, notebook PCs, automotive interiors and large-sized home appliances. Total amount of this capital investment including building and land will be estimated about 12,000 million yen.

2. Outline of the land

- 1) Address: 1 Anotsudai, Tsu-shi, Mie (in Chusei Science city)
- 2) Land area: about 60,000 m²
- 3) Amount to pay: about 1,500 million yen
- 4) Seller: Tsu-shi Tochi Kaihatsu Kosha (Tsu City land development public company)

3. Date of acquisition

October 30, 2008 Resolution by the board

The latter part of November Conclusion of agreement for location (Plan)

May, 2009 Conclusion of agreement for conveyance (Plan)

April, 2009 Delivery (Plan)

4. Forward schedule

April, 2009 Start constructing (Plan)

October, 2009 Start operating (Plan)

5. Outlook

There is nothing to affect the financial result for fiscal year 2009, ending March 31, 2009
